## RACE FOR A CURE

**Think Pink Rocks** tore it up in Mizner Park last year with their concert to raise awareness for breast cancer and genetic testing. They are planning to do it all again on October 2 for the third annual show. This year's performers will include Akon, Asher Roth, Shontelle and Melanie Fiona. Proceeds will benefit breast cancer research and support programs. [thinkpinkrocks.com](http://thinkpinkrocks.com)
